The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

The following Plan components are addressed in the School Plan for Student Achievement as indicated below:

SECTION A (Sections 1 – 4 will be addressed through the process of data analysis and completion of the Action Plan)

(1) Data Analysis Tool: Comprehensive Needs Assessment

The Data Analysis Tool includes district and site-level data for to support the analysis of school performance and progress. Data is aligned to our District’s Strategic Plan and Local Control Accountability Plan (LCAP).

Data Analysis, Program Analysis, and Needs Assessment, includes data such as the following:

- Academic performance data to determine student needs, State Standardized Assessments
- Adequate Yearly Progress (AYP) performance data for all students and subgroups are used to develop the instructional support program
- California English Language Development Test (CELDT)/ English Language Proficiency Assessment for California (ELPAC) data
- District Benchmark exams
- After school program data
- School climate and safety data, including California Healthy Kids Survey (CHKS)
- Strategic Plan Survey (Student, Staff, and Parent), Parent Needs Assessment
- Input from stakeholders (advisory committees, parents, community, etc.)
- The relationship between professional development and the successful implementation of core programs or interventions
- Evidence of implementation of monitoring activities in SPSA

(2) Data Review: School Plan for Student Achievement Annual Evaluation

The means of evaluating the progress of programs toward accomplishing the goals, including determining whether the needs of all children have been met by the strategies used, particularly the needs of low-achieving students and those at risk of not meeting state academic content standards. Monitoring of SPSA action plan and progress toward goals.

- **Highlight Strengths:** Which data reflected strengths for your school? Which prior year action steps have contributed to these areas of strength?
- **Highlight Areas for Growth:** Which data reflected areas of growth needed for your school? How will these areas for growth be addressed in your action steps and

supported by your school's budgeted expenditures? (*new or refined programs, strategies, activities, etc.*)

- **Other Key Findings:** What does your overall data show regarding progress towards goals?

(3) District Goal Statements

School goals to meet the identified academic needs of students. A plan that is consistent with the LEA Plan, aligned to the GGUSD Strategic Plan and LCAP.

- **Goal 1:** All learners will develop the academic skills necessary for continual individual growth towards mastery of standards.
- **Goal 2:** All learners will develop the personal skills necessary to achieve academic and social goals.
- **Goal 3:** All learners will be prepared for lifelong success in their intended career paths.

(4) Action Steps / Schoolwide Reform Strategies (Planned Improvements in Student Performance)

Activities to reach school goals that improve academic performance of students includes:

- Opportunities for all students to meet proficient and advanced levels of achievement in state standards
- Use of evidence-based instructional methods and strategies that:
 - Strengthen the core academic program in the school
 - Increase the amount and quality of learning time and help provide an enriched and accelerated program
 - Deliver an instructional program that provides extended learning time and minimizes removing students from the regular classroom during school hours
 - Include strategies for meeting the educational needs of historically underserved populations
 - Addressing the needs of low-achieving students and those at risk of not meeting state academic content standards
 - Provide effective programs for English learners
 - Address how the school will determine if such needs have been met
 - Are consistent with the state plan and LEA plan
- Instruction by highly effective teachers
- High-quality and ongoing professional development for teachers, principals, and paraprofessionals
- Strategies to attract highly effective teachers to high-need schools
- Strategies to increase parental involvement – detailed in Section B
- Plans for assisting preschool children in the transition from early childhood programs to local elementary school programs
- Measures to include teachers in decisions regarding the use of academic assessments to provide information on, and to improve, the achievement of individual students and the overall instructional program
- Effective, timely assistance for students who experience difficulty in attaining the proficient or advanced level of academic content standards
- Coordination and integration of federal, state, and local services and programs
- Start and completion dates for each action or indication of timeline and target dates

SECTION B

School Parental Involvement Policy (SPIP)

- Strategies to increase parental involvement, including providing individual academic assessment results in a language the parents understand and an interpretation of those results
- Submission to the LEA of any parent comments of dissatisfaction of the SPSA or the Parental Involvement Policy.

COMMON PAGES (SECTIONS C THROUGH F)

SECTION C

Centralized Services and Support for Planned Improvement in Student Performance

- Identify direct services to students and educational support services to school staff provided by district office staff from categorical funds allocated to the school

SECTION D

Budget Information

Programs Included In This Plan

- Identify the state and federal categorical programs in which the school participates and, when applicable, allocations to the school

Capital Outlay and Equipment & Site-LCFF Expenditures

- Describes funding source and justification for capital outlay expenditures

Categorical Personnel

- Lists positions, funding source, and justification of categorically funded personnel

Budget Planning Tool

- Expenditures of funds allocated to the school through the Consolidated Application
- Coordination and integration of federal, state, and local services and programs
- Proposed expenditures and estimated costs for each action in the plan and funding source

SECTION E

School Site Council and English Learner Advisory Committee

- Establishment of the School Site Council (SSC) & Roster
- Establishment of the English Learner Advisory Committee (ELAC) & Roster

SECTION F

Recommendations and Assurances

- Recommendations and Assurances: Signatures verifying assurances
- Plan Approval Page: Recommendation of the SPSA to the district governing board for review and approval

GUIDELINES FOR MODIFICATIONS TO THE PLAN

LIST OF REASONS FOR MID-YEAR REVISIONS

- A major service or activity proves ineffective, and students are at risk.
- Material changes occur that affect the academic programs.
- Staff, equipment, or materials essential to the plan cannot be procured.
- School boundaries or demographics suddenly change. An activity is found to be non-compliant with state or federal law.
- A planned activity is not supported by staff, parents, or students.

PROCEDURES FOR MID-YEAR REVISIONS

- Revise the plan, as needed
- If revising Capital Outlay, use the Capital Outlay Plan Modification Form
- SSC approves revision
- Send modification form and minutes of SSC meeting showing approval of revision to K-12 Educational Services

PROGRAM IMPROVEMENT REQUIREMENTS

The following elements in Title I, Part A, Section 1116, for PI are addressed in the School Plan for Student Achievement as indicated below:

Required PI Plan Elements	Section(s) addressed in Plan
1. Evidence-based Research – Strategies based on scientifically-based research that will strengthen the core academic subjects in school and address the specific academic issues that caused the school to be identified for PI.	Section A (4)
2. Successful Policies and Practices – Adoption of policies and practices concerning the schools core academic subjects that have the greatest likelihood of ensuring that all students (and student subgroups) enrolled in the school become proficient.	Section A (4)
3. Professional Development (PD) A minimum of 10% of Title I funds will be used each year that the school is in PI for the purpose of providing high quality professional development of teachers and principal.	Section A (4) and D
PD meets requirements for qualifications of teachers and paraprofessionals.	Section A (4)
PD affords increased opportunity for participation.	Section A (4)
PD directly addresses the academic achievement problem that caused the school to be identified for PI.	Section A (4)
4. How funds (10%) reserved for professional development will be used to remove the school from PI status.	Section D
5. Description of Specific, Annual Measurable Objectives – Developed for each of the student subgroups and in accordance with the state’s measure of AYP.	Section A (1)
6. Shared Responsibility for Improvement – Specify the responsibilities of the school, the LEA, the SEA, and a description of the technical assistance and fiscal responsibilities to be provided by the LEA.	Section A Section C
7. Parent Involvement – Strategies to promote effective parental involvement.	Section B
8. Extended Learning – As appropriate, activities before school, after school, during the summer and during any extension of the school year.	Section A (4)
9. Incorporation of a Teacher Mentoring Program – Support for teachers and Induction Program	Section A(4) & C

To be included with SPSA for Title I PI Schools

GOAL 1 Data Review

As you review your Goal 1 data, consider your school’s performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<p>Our Academic progress consistently outpaced district elementary sites in State Testing in ELA (1A). Our EL subgroup outpaced the district and other elementary schools in ELA (1B). Our students were strong in self regulatory skills (1C). Our SBAC scores outpaced both the elementary average and district growth rate.</p>
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Much attention has been given to technology, discourse, learning structures, and student collaboration. Academic rigor, and teacher collaboration have been integral to these gains.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<p>Getting more of our students reclassified as RFEP students through the passing of district benchmarks, writing assessments and ELPAC tests</p>
<p>How will these areas for growth be addressed in your action steps and supported by your school’s budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>Money will spent on Instructional Technology (FrontRow, Moby Max, etc..) that will allow for EL students to access content at their level. There will also be plenty of opportunities for extended day learning to support all students who are struggling in a content area.</p>
<p>Other Key Findings: What does your overall data show regarding progress towards goals?</p>	<p>Parkview continues to outpace all district, county and state proficiency rates but we will continue to analyze our instructional practice and use staff collaboration to increase these numbers even more in 2018-19</p>

GOAL 2 Data Review

As you review your Goal 2 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<p>Overall Parent and Student Climate are well above the norm (1C). Our Climate of Support for academic learning and our Discipline and Norms were well over the district norms. (2C) All areas of socio-emotional well being were above the district norm. (1B) Graduation rates have gone from 94% to 96% from our school in the last 3 years (compared to 89% districtwide) (2A) Growth mindset outpaces district averages (80%), as do self efficacy, expectations (2A); social awareness, emotional care, sense of belonging/ connectedness (2B); climate of support for learning, discipline/ norms, and feeling safe at school were all well above average (2C). Student and staff climate surveyed overall both grew by over a point. Our attendance goals and measures seem to have been working, we have kept our overall attendance rate at 96% over the last several years.</p>
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Focus on anti-bullying and the addition of GRIP, PBIS, staff and adult norms, development of student leadership and our SST Process (SART, At RISK, SST formal) were each integral to successes in these areas.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<p>We have work yet to do on work habits, citizenship grades, and truancy rate (Goal 1A). Citizenship was also a bit lower than the district average (2B). We need to increase cleanliness, safe feelings at school, and decrease bullying and thoughts of bullying. (2C) School Staff Climate was significantly lower than the district norm, something we must work on. (1C) Scholarly and Work Habits need to improve (1C).</p>
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>GRIP and moving SART meetings into At Risk formal meetings should address attendance issues, as well as will writing formal IEP goals for students with Special Education placements. GRIP mentors and Anti Bullying monthly trainer/ training will assist in the student perception of bullying and active engagement in solution making (Student Council coined the term and T shirt, "Kind is the new cool.") Parenting focus moved to monthly Friday mornings, "Muffins with Mom, Donuts with Dad," focused on similar goals (GRIP, Anti Bullying/ Kindness, Drug/ Tech Awareness, Instructional Input, School as partner). After school parenting classes focused on "nuts and bolts" needs for parents. Continued focus on Staff Climate document, norms and communication occurred monthly in leadership meetings with FAC, GGEA Reps, Staff Meetings, GLC, ILT, PBIS, and Safety team staff leaders to increase staff climate perceptions.</p>
<p>Other Key Findings: What does your overall data show regarding progress towards goals?</p>	<p>We are making great progress in all areas but still need to address the student perception of safety and school bullying. While fewer of our students feel this than the district average, there are still 28% of students who feel this is an issue and this needs to be improved.</p>

GOAL 3 Data Review

As you review your Goal 3 data, consider your school's performance relative to the districtwide averages and previous year performance. These may require reviewing data from previous years or accessing additional data. Respond to the following key questions:

Key Questions	Analysis
<p>Highlight Strengths: Which data reflected strengths for your school?</p>	<p>Parkview paced with the district in most areas, outpacing the district in several percentages in some.</p>
<p>Which prior year action steps have contributed to these areas of strength?</p>	<p>Focus on CELT levels emerging, bridging/ expanding, and EO will occur during the 2016-2018 years. Efforts will be spent, as well as money on websites and teacher instructional development in intervention and EL learning methods. (ELD Block and across curricular areas) on anti-bullying and the addition of GRIP, PBIS, staff and adult norms, development of student leadership and our SST Process (SART, At RISK, SST formal) were each integral to successes in these areas.</p>
<p>Highlight Areas for Growth: Which data reflected areas of growth needed for your school?</p>	<p>Much of the data is not reflected in immediate elementary instruction. A greater focus on college, early childhood readiness skills, scholarly preparation, parent education should continue and be refined.</p>
<p>How will these areas for growth be addressed in your action steps and supported by your school's budgeted expenditures? (new or refined programs, strategies, activities, etc.)</p>	<p>Focus on anti-bullying and the addition of GRIP, PBIS, staff and adult norms, development of student leadership and our SST Process (SART, At RISK, SST formal) were each integral to successes in these areas. GRIP and moving SART meetings into At Risk formal meetings should address attendance issues, as well as will writing formal IEP goals for students with Special Education placements. GRIP mentors and Anti Bullying monthly trainer/ training will assist in the student perception of bullying and active engagement in solution making (Student Council coined the term and T shirt, "Kind is the new cool.") Parenting focus moved to monthly Friday mornings, "Muffins with Mom, Donuts with Dad," focused on similar goals (GRIP, Anti Bullying/ Kindness, Drug/ Tech Awareness, Instructional Input, School as partner). After school parenting classes focused on "nuts and bolts" needs for parents. Continued focus on Staff Climate document, norms and communication occurred monthly in leadership meetings with FAC, GGEA Reps, Staff Meetings, GLC, ILT, PBIS, and Safety team staff leaders to increase staff climate perceptions.</p>
<p>Other Key Findings: What does your overall data show regarding progress towards goals?</p>	

School Plan for Student Achievement Annual Evaluation

Pursuant to California Education Code Section 64001(g), the School Site Council (SSC) must evaluate at least annually the effectiveness of planned activities. In the cycle of continuous improvement of student performance, evaluation of the results of goals will provide data to inform and guide subsequent plans. The school must be able to provide evidence of the evaluation process to determine if the needs of students are being met by the strategies described in the SPSA.

Section	Annual Evaluation Summary Description Use the guiding questions above and provide a summary response for each area of evaluation.
Plan Priorities	Continue Anti-Bullying measures to decrease numbers of students feeling marginalized, continued participation in the district led Instructional Leadership Team to improve teacher collaboration and instructional practice, continued use of our At-Risk Team and SST team to target those students needed support and developing targeted plans, continued use of GRIP program to provide mentors for at-risk students, increased parent education opportunities (40 Developmental Assets, 10 Educational Commandments, PTA, School Site Council, ELAC/DELAC, ect..).
Plan Implementation	Use of Turner G Kids curriculum to address anti-bullying, use of ILT, use of district resources to enhance parent learning opportunities
Strategies and Activities	Educational support measures have been largely effective at Parkview and our data bears this out...continued work on bullying and campus safety will be a focus
Involvement/ Governance	These items were talked about at our SSC on 3/19 when the SPSA was reviewed ...these school goals are monitored throughout the year and a topic of every SSC meeting
Outcomes	Goals were met for Parkview Elementary School

School Parental Involvement Policy: 2018-19

Involvement of Parents in the Title I Program & Building Capacity for Involvement

Our school engages parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. The state identified twelve requirements, which have been organized into six categories based on the framework of six types of parental involvement: parenting, communicating, volunteering, learning at home, decision making, and collaborating with the community. To help reach these goals, and involve parents in the Title I program at our school, the following practices have been established:

PARENTING: Help all families establish home environments to support children as students.

- 1. Our school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Our school provides parents of Title I students with timely information about Title I programs.**
- 2. Our school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening, including multiple opportunities for parent education programs.**

The school provides parents with information about the school's participation in and the requirements of programs such as, Title I, English Learners (EL), Special Education, Gifted and Talented Education, and the LEA plan. The school organizes opportunities for parents to be involved throughout the school year. Information regarding the school's programs and their rights to be involved will be distributed to parents at the beginning of the school year. The school will schedule ongoing parent meetings to disseminate information regarding Title I and other school programs.

ELAC Meetings will occur by Trimester November 2018, January, March and May 2019: SSC Meetings will be scheduled 6 times per year, November, January, February, March, May and June (4 meetings minimally will occur): Parent Meetings will be scheduled for 40 Developmental Aspect (PM meeting), and Muffins for Mom/ Donuts for Dad (AM meeting- monthly, Title 1 meeting will occur here); a GRIP parent meeting will be scheduled in alignment with our GRIP2 program. PTA meetings will occur monthly at 7:30 AM on first Tuesdays. The calendar of important dates will be sent out in magnet form, and posted on our website.

COMMUNICATING: Design effective forms of school-to-home and home-to-school communications about school programs and children's progress.

- 3. Our school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand.**
- 4. ACCESSIBILITY: The school provides opportunities for the participation of all Title I parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students. Information and school reports are provided in a format and language that parents understand.**
- 5. Our school has developed a written Title I parental involvement policy with input from Title I parents. It has distributed the policy to parents of Title I students. The policy describes the means for carrying out Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].**

Parents, including parents with limited English proficiency, parents with disabilities, and parents of migratory students, identify their home language and preferred correspondence language during school registration. For language needs exceeding 15% of the school population, information will be made available in those languages. All notices, flyers, newsletters, etc., are translated by either school staff or the translators at the ARC. School community liaisons are available to provide interpretation for parent meetings, parent conferences, and other activities at the school site.

The school developed the Parent Involvement Policy with input from Muffins with Mom/ Donuts with Dad participants, through parent input to the office, through PTA input, and at SSC meetings.

The parent involvement policy is available upon registration, at Back to School Night, and via input in our public parent meetings.

VOLUNTEERING: Recruit and organize parent help and support.

6. Our school provides support for parental involvement activities requested by Title I parents.

7. With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.

Parents will be provided with information on how to become involved in school or district parent governance committees, parent organizations, parent education groups, or other parent volunteer opportunities.

Volunteer opportunities are available through a number of avenues. To volunteer in a capacity that involves student contact, the school volunteer packet must be completed and rendered the office. Some of its contents include the need for an updated TB test, copy of driver's license, and a Megan's Law screening will occur in such cases.

*GRIP greeters are needed daily at the commencement of each day (screening added with OC Sherriff's department for this position)

*Parents can volunteer to help teachers with classroom preparation needs.

*Parents can volunteer to support school events by decorating or contributing to the event financially or with requested articles needed.

*Teachers can request field trip, event, classroom, or other support with parents who have completed the volunteer packet and are cleared to work in direct contact with children.

*Parents can volunteer on one of our service organizations in representation of the school (ELAC, DELAC, SSC, PTA, etc.)

LEARNING AT HOME: Provide information and ideas to families about how to help students at home with homework and other curriculum-related activities, decisions, and planning.

8. Our school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet.

9. Our school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children. Our school provides parents with materials and training to help them work with their children to improve their children's achievement.

Teachers explain the curriculum and assessments used to measure student progress at Back-To-School Night and parent-teacher conferences. The principal will share additional information with parents during other parent meetings.

The December Muffins with Mom/ Donuts with Dad meeting serves the function of our Title 1 Parent Meeting. Additionally, this information is shared at Back to School Night, Conferences, Open House, and the Summer Intervention Muffins with Mom/ Donuts with Dad meeting.

DECISION MAKING: Include parents in school decisions, developing parent leaders and representatives.

- 10. If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children.**
- 11. Our school involves parents of Title I students in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I programs and the Title I parental involvement policy.**

The review of the School Parental Involvement Policy is included as part of the annual review of the School Plan for Student Achievement (SPSA). The policy is updated periodically to meet changing needs of parents and the school. The school has a process in place for involving parents in planning and designing the school's programs, the school may use that process if it includes adequate representation of parents of Title I children [20 USC 6318 Section 1118(c)(3)]. The district provides a timeline for requirements related to Title I, parent involvement, SSC and ELAC topics to be discussed, as well as the process of reviewing and developing the SPSA, including this parental involvement policy.

The school invites all parents to participate and given input to the above meetings, which are open to all (all are invited). Additionally, parents may request such information from the office, at SST/ At Risk/ SART meetings, or in various other parent meetings as scheduled.

COLLABORATING WITH THE COMMUNITY: Identify and integrate resources and services from the community to strengthen school programs, family practices, and student learning and development.

- 12. Our school coordinates and integrates the Title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.**

The District's Parent and Community Outreach Department provides guidance, support, and training to parents, teachers, administrators, and support staff. The activities of the Parent and Community Outreach include:

- Providing professional development opportunities in parent education programs
- Serving as a link to parent and community resources
- Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites
- Coordinating parent education and community outreach meetings

Our school has designated staff and/or school-community liaisons that provide outreach to families, serve as a resources for parents, and collaborate with the community to support parents and families. The district and school have partnerships with community agencies to offer afterschool programs, counseling and mental health services, health and safety programs, and tutoring programs that serve to support student learning and development.

SCHOOL-PARENT COMPACT

Our school distributes to parents of Title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the school and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- **The school's responsibility to provide high-quality curriculum and instruction**
- **The ways parents will be responsible for supporting their children's learning**
- **The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities for parents to volunteer and participate in their child's class; and opportunities to observe classroom activities**

[Upload a copy of the compact to DTS.]

SECTION C: OVERVIEW OF CATEGORICAL SERVICES

DIRECT SERVICES (K-12)

- Teachers on Special Assignment (TOSAs) provide guidance in (1) The planning process, (2) The review process, and (3) Writing the needs assessment. They meet with the Leadership Team, staff, and School Site Council to assist in analysis of the school program and determination of needs. TOSAs assist each school with staff development. This assistance may include helping determine what sessions are needed, finding resources to provide in-services, and/or conducting in-service sessions such as co-planning and co-teaching. Staff development may be scheduled after school, as a release day at the local school, or at the district office with other schools. Staff development topics include: implementation of standards-based instructional strategies, literacy development across the curriculum, mathematics, language acquisition for English Learners, other content area strategies, Systematic English Language Development (ELD), Constructing Meaning, training, and other supplemental Specially Designed Academic Instruction in English (SDAIE).
- School Testing Assistants work with school personnel to schedule and perform student skills testing at schools.
- Parent and Community Outreach works as a division of the Office of K-12 Educational Services to provide guidance, support, and training to teachers, administrators, and support staff. The activities of the Parent and Community Outreach include (1) Providing professional development opportunities in parent education programs, (2) Serving as a link to parent and community resources, (3) Developing and encouraging high-quality parent programs and parental involvement opportunities at school sites, and (4) Coordinating parent education and community outreach meetings.
- Tutors are provided for the Advancement Via Individual Determination (AVID) program in grades 7-12 and other self-regulatory programs.
- The Boys & Girls Clubs of Garden Grove provides after school programs (ASES and ASSETs) and Mc-Kinney-Vento services.
- Title I funds are utilized to support the 10th and 11th grade administration of the PSAT. SAT preparation classes are offered to all high school juniors at a reduced rate.
- Intervention teachers and supplementary intervention curriculum materials have been funded to support students who are most at-risk. These teachers and materials have been funded to provide additional intensive supports and effective interventions to help all students meet the state academic standards. Funds will also be used for the development and implementation of Alternative Programs to increase opportunities for students in meeting academic standards and high school graduation requirements.

INDIRECT SERVICES (K-12)

- The Departments of K-6 and 7-12 Instruction and K-12 Educational Services coordinate centralized and district resources to assist each school in meeting project requirements and providing quality programs.
- The Office of K-12 Educational Services provides information regarding budget categories, legal expenditures, and compliance.
- The Assessment and Registration Center (ARC) assists principals and individual teachers in providing assessments, translation, personnel, materials, and staff development to meet the needs of English Learners.
- Counselor on Special Assignment (COSA) provides guidance for counselors, supplemental counselors, and administrators regarding placement, A-G and graduation requirements. COSA organizes and plans implementation of various programs related to college readiness, such as PSAT/SAT prep classes, AP, and scholarships. COSA also plans and implements support services for at-risk students, such as credit recovery, summer school, and academic review.
- The Department of Evaluation and Research assists schools in evaluating their ongoing programs as well as assisting with appropriate testing and year-end evaluation procedures.

GENERAL FUNDED DISTRICT SERVICES FOR STUDENTS (K-12)

- All English Learners receive an English language development program designed to meet their instructional needs.
- Upon request of the school, a district worker from the Office of Student Services makes home calls as needed regarding health, attendance, etc.
- The vocal music teacher provides music experiences to students in grades 1-6.
- Instrumental music instruction is offered to students in grades 4-6.
- Students are screened for health problems and referred to appropriate services as necessary. At the elementary level, a district health assistant provides health services for 3 hours per day.
- At the elementary level, parent conferences are regularly scheduled to inform parents of student progress and to aid them in assisting their children at home, and at the secondary level conferences are scheduled as needed to inform parents of student progress towards graduation.
- The Speech and Language pathologist screens students referred by the teacher and/or Student Study Team. The pathologist consults with the teacher regarding the speech and language needs of students.
- Following Student Study Team meetings and referral for assessment, a school psychologist coordinates assessment for students and makes appropriate recommendations to an IEP team.
- Students who qualify for special education may receive instruction and/or designated services following the recommendation of an IEP team.
- The Office of Special Education coordinates services of the speech and language pathologists, school psychologists, adapted physical educational teachers, and other appropriate services in identifying and providing services for individuals with exceptional needs.
- Gifted and Talented Education assists principals and individual teachers in identifying and providing for the needs of gifted and talented students.
- Other district services (i.e. music, art, libraries) supplement the school site's base program as appropriate to the school's needs and plans.

SECTION E: ESTABLISHMENT OF THE SCHOOL SITE COUNCIL (SSC)

***RECORDS MUST BE RETAINED FOR 3 YEARS**

At elementary schools, the council must be constituted to ensure parity between (a) the principal, classroom teachers and other school personnel and (b) parents of pupils attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must, in addition, be equal numbers of students and parents or other community members selected by parents. Teachers, other school personnel, parents and (at secondary schools) students select representatives to the council (Education Code 52012). The Council must have at least 10 members at elementary sites and 12 members at secondary sites.

SECTION E: ESTABLISHMENT OF THE ENGLISH LEARNER ADVISORY COMMITTEE (ELAC)

***RECORDS MUST BE RETAINED FOR 3 YEARS**

Each school with 21 or more English learners (EL) in attendance, regardless of language, must form a functioning English Learner Advisory Committee (ELAC) or subcommittee of an existing advisory committee. Education Code (EC) 62002.5 establishes the regulations that govern the ELAC.

<p>Composition of English Learner Advisory Committee</p> <p>COMPOSITION REQUIREMENTS</p> <p>The percentage of parents of English learners on the committee must be the same or greater than the percentage of English learners at the school. Voting Process by parents of English learners: An election is held in which all parents of English learners have an opportunity to vote and in which the parents or guardians of English learners elect the members of the committee. The peer selection process may include:</p> <ol style="list-style-type: none">1. Ballot By Mail: In the letter, we include a form for self-nomination. After all the nominations have been received, a ballot is sent home with each English learner for parents to vote. Parents from last year's ELAC handle this process and count the ballots.2. Voice Vote: In the letter, we encourage all parents and school personnel to attend a meeting where information about ELAC will be provided and elections will be held at the school site. At this meeting, nominations are taken from the floor for ELAC membership and would be elected at that time by voice vote of parents and guardians of English learners. The required percentage of parents of English learners depends on the number of English learners at your school.3. Back To School Night Election: In the letter, we include a form for self-nomination. After all the nominations have been received, parents and school personnel are informed that the election will be held prior to Back To School Night, stating the date and time. Ballots are prepared and a voting station set up for parents and guardians of English learners to vote. Parents from last year's ELAC count the ballots. <p>b. SECTION F: PLAN APPROVAL PAGE

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The school site council is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The school district assures “that school site councils have developed and approved a plan, to be known as the School Plan for Student Achievement, for schools participating in programs funded through the consolidated application process, and any other school program they choose to include.”
3. School plans must be developed “with review, certification, and advice of any applicable school advisory committees.” The school site council sought and considered all recommendations from the following groups or committees before adopting this plan (Check all those that apply):
 - X English Learner Advisory Committee
 - Community Advisory Committee (CAC) for Special Education Programs
 - Gifted and Talented Education Program Advisory Committee
 - X Other : e.g., School Safety Planning Committee, District/School Leadership Team (DSLTL)
4. Any plans required by programs funded through the consolidated application must be consolidated into a School Plan.
5. The content of the plan must be aligned with school goals for improving student achievement.
6. The school site council reviewed the content requirements for school plans of programs in this School Plan for Student Achievement and believes all such content requirements have been met, including those found in district governing board policies and in the LEA Plan.
7. The plan must address how Consolidation Application funds will be used to improve the academic performance of all pupils to the level of the performance goals.
8. The plan must be “reviewed annually and updated, including proposed expenditures of funds allocated to the school through the consolidated application, by the school site council.”
9. This school plan is based upon a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated goals to improve student academic achievement. School goals must be based upon “an analysis of assessment data and the English Language Development test, and may include any data voluntarily developed by districts to measure pupil achievement.”
10. The school site council reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the school plan requiring board approval.

This school plan was adopted by the school site council at a public meeting on: May 21, 2018
