

GARDEN GROVE UNIFIED SCHOOL DISTRICT SCHOOLS AT A GLANCE

Garden Grove Unified School District (GGUSD) is the third largest school district in Orange County, with 67 schools and nearly 38,000 students. Although the city of Garden Grove is in the district's name, GGUSD actually has campuses serving students in five cities: Garden Grove, Fountain Valley, Westminster, Santa Ana, and Stanton and serves additional students in the cities of Anaheim and Cypress. The following is a list of the cities in which each school is located, however many schools serve students from multiple cities.
